### How to Request for a Physical Copy of Original certificate?

When only an electronic copy of a certificate is requested when filing a transaction at the Registry, a physical copy can be later requested through the 'R811' Request for Certifications function.

The request for a physical copy of an original Certificate in VIRRGIN is directly below the section to request certified documents, labelled **Request for Physical Copy of Original certificate**.

Please email [support@bvifsc.vg](mailto:support@bvifsc.vg) for questions regarding this request.
