(4) Where a licensee or other person relocates from its registered address to a new address in the Virgin Islands on a permanent basis, the relocation shall be treated as a change of registered address and shall, subject to subsection (5), be dealt with in accordance with the FSCA or any applicable financial services legislation.

(5) Subsection (4) shall not apply in relation to the payment of any fee if the reason for relocating to a new address on a permanent basis is that the premises comprising the licensee’s or other person’s registered address remained damaged and unrepaired or are no longer available to the licensee or other person within the period specified in subsection (6).
